

OHIO SMALL BUSINESS PRIORITIES

- Create a public-private partnership connecting Ohio college students with Ohio-based employers to facilitate Ohio-based internships, externships, and co-ops and remove barriers to entering career technical training programs and vocational jobs.
- Advocate for responsible, increased price transparency for healthcare services, improving efficiency of the system and healthcare outcomes.
- Support legislation that strengthens small business options when faced with unknown and/or uncertain regulations.
- Support efforts to reduce regulatory burdens on small business through legislative or administrative action.
- Explore measures that provide fairness to businesses as it relates to taxes.
- Support a fair and equitable plan for the Unemployment Compensation Trust Fund to achieve solvency.
